

Submission of Proposal to the European Annual General Meeting 2024

Your submission will be used as an agenda item. Please make sure your submission is concise and clear, including all the necessary information so that other delegates can easily understand and discuss it during the meeting.

Country	Austria
Name	Christian Schmid
Proposal	Pre-payment and cancellation of un-paid registrations at deadline at Europacup
Current Situation	Many sailors register for the Europacup but do not use the option to cancel – this makes it difficult for the organising club to have the right budget, goodies, support staff, etc.
Reason for Proposal	<p>Example at the Europacup in Austria 123 sailors were registered but only 107 participated (including 16 late registrations)</p> <p>We would like to propose to add the option of obligatory pre-payment (already existing) with the addition of cancellation of all that have not paid in-time (after alignment with the organising club at the registration deadline) – late registration can be opened again in alignment with the organising club that can allow payment on site with late-registration penalty</p> <p>SI 6.5 is not clear on this and should be adapted accordingly</p>

Any proposal submission must be returned to the office by **25th October 2024** at the latest. However, to aid the smooth production of the agenda we invite districts to reply at their earliest convenience.
